

Community Event Documentation Sheet

Event:

Location:

Date:

Time of event:

Organization hosting event & contact name:

Team 781 student/mentor(s) in charge:

Which 781 members attended the event?

What did we bring? What was provided for us at the event?

Was there anything we needed/didn't have, or had/didn't need? If so, please specify.

Transportation: How did team members get to the event? How did equipment get to the event?

If there was a robot demonstration, describe the setup (How much space? Power? What was used to make the enclosure? Game played?) Any safety concerns?

For awards documentation: Who attended this event/ what people did you talk to? (Children, politicians, parents, etc.) How many people attended the event/ drove the robot? What did people seem most interested in? What measures did you take to share robotics and FIRST with people at the event?

If the event is held again, should Team 781 attend? (circle)

Yes

No
